NCAA Rules/Eligibility

In accordance with NCAA rules on prospective student-athletes, high school graduates are prohibited from participating in any camps or private training sessions. NCAA rules also state that we are not allowed to give free or reduced admission (tuition) privileges to a high-school prospect. Please be aware that any checks that are returned NSF (non-sufficient funds) and are not rectified immediately would automatically fall under this category and thereby jeopardize the camper's prospects for a college scholarship. Brister Sports Ventures, LLC is obligated to report any NCAA violations or face the consequences of committing a NCAA violation itself. A violation of these rules will prevent the recipient from ever participating in inter-collegiate sports at any level.
